

### **Rules for Visitation**

1. All visits are by appointment only and must be scheduled in advance. Visitation appointments can be scheduled at <https://signup.com/go/XauyCvg> or by calling your loved one's unit Social Worker or the Activity Director.
2. Visitors must have a negative COVID-19 test within 7 days prior to their visit. You may provide your own test results or be tested at Aaron Manor 30 minutes prior to your scheduled visit. Please see our website for details.
3. Visitors who provide proof of completed COVID-19 vaccination at least 10 days prior to and no more than 90 days before scheduled visitation do not have to provide a negative COVID-19 test.
4. The duration of visitation appointments has been increased to 45 minutes each.
5. Two visitors are allowed at each visitation appointment.
6. Visitors must adhere to infection control measures, including wearing an appropriate face mask that completely covers the nose and mouth while on site (if you do not have a face mask, one will be provided to you); by maintaining a social distance of at least 6 feet at all times; and by using hand sanitizer before and after the visit.
7. All visitors must be screened and complete an attestation when they arrive.
8. Visitors under the age of 16 must be accompanied by an adult.
9. Staff will escort your loved one to and from the visitation area. Visitation remains prohibited in resident rooms and care areas at this time.
10. Please refrain from consuming food and drink during visitation, as well as from passing items back and forth. Please ask for staff assistance if needed.
11. Pets are not allowed to visit at this time.
12. Newly admitted residents, as well as those readmitted from the hospital, must complete a 14 day quarantine before being eligible for in person visitation.

Failure to adhere to visitation protocols may result in your prohibition from future visits for the remainder of the COVID-19 public health emergency.

Thank you for your continued understanding and cooperation in taking the necessary steps to keep our residents safe.
